## **Cool Water Technologies (CWT) RTi Series Line of CTI Certified Cooling Towers CTI Certification Validation Number C52B-15R01 December 3, 2015 (Revision 1)**

RTi-917-152

RTi-917-192

RTi-917-220

### Footnotes:

1. Multiple cell configurations of the single cell models above are also available but not listed individually. Multi-cell configurations are end-wall to end-wall arrangements of the single cell designs which do not impact the air flow rate or capacity of the individual cells, and are included in the certification.
2. Certified Model Number Example: RTi-917-152-2
  - RTi– Line Designation
  - 917-152 – Model Number
  - ‘-2’ – Two cell arrangement of the primary certified model (capacity equals 2 times rated capacity)

Note: One cell: RTi-917-152, Two Cell: RTi-917-152-2, Three Cell: RTi-917-152-3, etc.

3. Certification includes units with optional gear drive in place of standard belt drive.
4. Certification includes galvanized steel or stainless steel structural materials.
5. Certification includes optional items that do not affect thermal performance, for example, access ladder and handrails.
6. Certification includes an alternate fan supplier with no change in capacity.
7. Suffix ‘-X’ is affixed to model numbers of units that are not CTI Certified, due either to application or product accessories or modifications.
