Ji'Nan Chin Tech Thermal Technology Co., Ltd.
CTB Series CTI Certified Closed-Circuit Cooling Towers
CTI Certification Validation Number C91C-16R00
January 2, 2016

CTB-1833-312

CTB-2034-318

CTB-2034-418

CTB-3034-824

CTB-3034-1024

CTB-3245-1228

CTB-3345-1528

CTB-3548-1830

Footnotes:

1. Multi-cell configurations of the primary single cell models are certified with an adjustment of the leg height of all of the cells to permit more open area for the remaining, unblocked, inlets of interior cells. This option limits the impact on airflow rate or capacity of the individual cells.
2. Certification includes galvanized steel plate or stainless steel plate structure materials and PVC or glass fiber reinforced casing materials.
3. Certification includes optional items that do not affect thermal performance, for example, access ladder and handrails.
4. The CTB Series model designations are as follows:
Sample model number: CTB-2034-418-2
Where: CTB- = Product Line Designation
2034-418 = Model Number
-2 = Number of Cells
