Beijing, China 101300

Subject: Voluntary Withdrawal of CTI Cooling Tower Thermal Certification  
Elendoo Technology (Beijing) Co., Ltd.  
ELH Line of Counter-flow, Closed Circuit Cooling Towers

Greetings:

This is to acknowledge that Elendoo Technology (Beijing) Co., Ltd. intends to voluntarily withdraw the ELH Line induced-draft, counter-flow, closed-circuit cooling tower line from the CTI Thermal Performance Certification Program, as set forth in Certification Standard STD-201OM(15).

The ELH Line had previously been assigned Certification Validation Number C50A-13R01 (originally 13-50-01). In accordance with CTI STD-201OM(15), the manufacturer:

- May use the Certification Label on all units from the certified line previously sold as CTI Certified, providing they ship within a 180 day period from the date of voluntary withdrawal;
- Shall not use the Certification Label on any new units sold after the date of the voluntary withdrawal;
- Shall remove all references to CTI Certification from the product brochures, published ratings, product drawings, and other literature pertaining to the withdrawn line within 120 days of the date of the voluntary withdrawal.

If there are any questions regarding the procedures listed above, please contact me.

Statement From Manufacturer: {note: similar to previous statement}

*“The voluntary withdrawal of the ELH Line of counter-flow, induced draft, closed-circuit cooling towers by Elendoo Technology (Beijing) Co., Ltd. completes the replacement of the line of towers with the redesigned **Elendoo ELN Line** of CTI Certified closed-circuit cooling towers. See <http://cti.org/certification.php> for details.”*

Very truly yours,

Michael G. Womack, PE  
CTI Thermal Certification Administrator
