#### Footnotes:

1. The Jacir KS line of cooling towers has received Eurovent Certification Company (ECC) Certification Diploma N° : 12.11.002 on November 13, 2012.  
See <http://www.eurovent-certification.com> for additional information.
2. For standard models, the panels of the casing are made of galvanized steel. Optional stainless steel panels are also available. In that case, the first letters of the model numbers become KXS instead of KS.
