Footnotes:

1. Models with suffix “Z” above are installed on customer supplied cold water basins.
2. Certification includes access and maintenance options that do not affect thermal capacity.
3. The NIBA line of HMP-NB cooling towers has received Eurovent Certita Certification (ECC) Certification Diploma N° : 14.07.002 on July, 2014.
See <http://www.eurovent-certification.com> for additional information.
