Footnotes:

1. Suffixes -AS, -AG are added to the basic model numbers listed above to indicate the tower construction materials or options:
 - AS for stainless steel casing, basin, structural members and hardware.
 - AG for HDG casing, basin, structural members and hardware.
2. Certification includes units with optional gear drive in place of standard belt drive.
3. Certification includes use of optional handrail and/or optional caged ladders.
4. Certification includes use of air intake louver in front of air inlet face.
