Wuxi Fangzhou Water Cooling Equipment Co., Ltd.  
FNB Line of CTI Certified Closed-Circuit Cooling Towers  
CTI Certification Validation Number C64B-15R01  
October 31, 2016

FNB-5	FNB-80
FNB-10	FNB-100
FNB-20	FNB-125
FNB-30	FNB-150
FNB-40	FNB-200
FNB-50	FNB-250
FNB-65	FNB-300

Footnotes:

1. Multi-cell configurations of the primary single cell models are certified with an adjustment of the leg height of all of the cells to permit more open area for the remaining, unblocked, inlets of interior cells. This option limits the impact on airflow rate or capacity of the individual cells.
2. Certification includes galvanized steel plate or stainless steel plate structure materials and PVC or glass fiber reinforced casing materials.
3. Certification includes optional items that do not affect thermal performance, for example, access ladder and handrails.
4. Certified Model Number Example: FNB-300 x 2  
FNB – Line Designation  
300 – Unit Model Number  
'x 2' – Two cell arrangement of the primary certified model (capacity equals 2 times rated capacity)
