Footnotes:

1. Certification includes units with optional gear drive in place of standard belt drive.
2. Certification includes use of optional handrail and/or ladder cage.
3. Multiple cell configurations of the single cell models above are also available but not listed individually.
4. Example Model Number for multi-cell model:

JNT-422220S -2

Where, JNT = line name

422220 = model number

S = sound level indicator (S=Standard, L=Low, UL=Ultra-low)

-2 = number of cells – capacity equals 2 times rated capacity of single cell model.
