Greetings:

This is to acknowledge that Thermal Cell sdn bhd has voluntarily withdrawn the TYH Series cross-flow cooling tower line from the CTI Thermal Performance Certification Program, as set forth in CTI Certification Standard STD-201OM(19).

b. Shall not use the Certification Label on any new units sold after the date of the voluntary withdrawal;
c. Shall remove all references to CTI Certification from the product brochures, published ratings, product drawings, and other literature pertaining to the withdrawn line within 120 days of the date of the voluntary withdrawal.

If there are any questions regarding the procedures listed above, please contact me.

Very truly yours,
